DETAILED ACTION

The amendment filed on 1/17/2006 has been entered. Claims 1-17 remain for examination.

Allowable Subject Matter

Claims 1-17 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: As previously stated, the prior art disclose various memory card management systems and methods. However, the prior art fails to disclose a memory card comprising the processes of updating the free-space information flag by using a first and second free-space information flags, first and second erase tables, etc. as recited in collectively in claims 5 and 12.

The prior art also fails to disclose the limitations of claim 11. Applicant's arguments with respect to claims 1-3 and 16 are considered persuasive.
